

# We are creating the future of work. Are you in?

We are a passionate team of architects, interior designers, psychologists, communication and technology experts. Pioneering work environments that inspire and motivate people every day - that is our vision. With currently more than 40 employees, we serve renowned companies such as Google, Siemens, Roche, Stihl and the Technical University of Munich. To strengthen our teams in Berlin, Cologne and Munich, we are now looking for dedicated full-time or freelance employees

## Workplace Consultants / Focus on Planning & Design (f/m/d)

### This is what inspires you:

- The planning of user-oriented workplace environments in terms of space conception, design and furnishing
- The development of design concepts that reflect the corporate identity in the space and have a positive effect on people
- The strategic development of overall workplace concepts, standards and guidelines
- Conducting and evaluating activity and building analyses
- Advising our clients on the development of New Work concepts with a focus on agile, innovative, sustainable and health-promoting work environments
- Conducting workshops to integrate employees and managers in the concept development - with the aim of transforming concerns and fears into motivation

### Your skills:

- A successfully completed degree in the field of architecture, interior design or a comparable qualification
- At least three reference projects in which you have gained experience in the development of innovative workplace projects
- Very good teamwork and communication skills in fluent German and English
- A careful and focused way of working, solution orientation, willingness to perform and a high degree of personal responsibility
- A self-confident manner, enjoy presenting yourself and working with clients, colleagues and partner companies
- Creativity and inventiveness as well as a passion for architecture, design, innovation and modern working environments
- Confidence in using the usual MS Office applications as well as knowledge of ArchiCad and pCon.planner

### What to expect:

With us, you will work in an international team and in an appreciative working atmosphere based on trust and respect. It goes without saying that we value good team spirit, self-determined work and motivating remuneration.
